Type HS hand lever shears are of a sturdy cast iron construction. The machines is with open ended clamping for unlimited cutting length. With its recessed table and pivoting sheet holder, materials can be handled easily.

The hand lever shear is developed with a special blade arc, which ensures a perfect cut with minimal deformation and without burrs on the subject. The shear is ideal for cutting in all materials. Very suitable for roofing, insulation and plumbing industry. Mechanical sheet clamping system and backgauge with mm-counter.

Art. No.	Type	Working length	Sheet thickness	Table length	Table width	Back-gauge	Length	Width	Height	Weight
		mm	mm	mm	mm	mm	mm	mm	mm	kg
